

Masterful interpretations of three iconic vineyards.

Three of California's most iconic vineyards. A rock star winemaker. A collaboration of epic proportions. This is Optik. Each of our wines is crafted by acclaimed winemaker, Joey Tensley, with hand-selected fruit from the renowned vineyard of Bien Nacido, Solomon Hills and French Camp Vineyard. These wines celebrate his unique, visionary perspective, resulting in signature master pieces. They are the same vines that we know and love at Miller Family Wines, but this time, seen through an entirely new lens.
